## **IT HAS TO STOP** - Pastor Dave

It started with a woman (a celebrity) telling her story of sexual abuse, exploitation, and harassment. Her courage opened the door for another. And another. Soon there were numerous women (now more than 80!) alleging that Harvey Weinstein, a Hollywood producer of some of the best-known and most profitable movies ever, was a serial abuser. Weinstein lost his job, his company, and well, his reputation was not that good but it is most likely gone for good.

Bill Cosby. Ben Affleck. Kevin Spacey. Louis C.K. George H.W. Bush (senior). Celebrities, athletes, and politicians – some having gotten away with inappropriate behavior for decades – are being outed. They have been protected and people have refused to believe the “rumours.” But now it is a tidal wave.

The Bible says, **For there is nothing hidden that will not be disclosed, and nothing concealed that will not be known or brought out into the open(Luke 8:17).**

Sadly, many men have gotten away with inappropriate behavior and course joking for too long and women and girls have paid the price. It is not, and never has been, normal. It is sin. Confession and repentance are the only cure.

The “me too” campaign has allowed women the freedom to speak out. Healing is possible.

Talk to your boys about what is not acceptable. Talk to your girls and urge them to not accept bad behavior. Get them to seek help and healing if necessary.
