DON'T LET THE FIRE GO OUT

Pastor Dave

The fire on the altar must be kept burning; it must not go out. (Leviticus 6:12)

In the Tabernacle, a fire burned on the Altar of God. Sacrifices were made there. The people had the responsibility to bring the sacrifice. It was God's part to accept the sacrifice. All the priest had to do was keep the fire burning.

Every morning the priest is to add firewood and arrange the burnt offering on the fire and burn the fat of the fellowship offerings on it. ¹³**The fire must be kept burning on the altar continuously; it must not go out.** (Leviticus 6:12,13)

In Revelation 2 Jesus speaks to a church in Ephesus. It had a great history and Jesus commends the church for their work and perseverance. They are holding the line for truth and holiness, and they are to be commended for that (2:2,3).

But Jesus has one thing He is vitally concerned about. He says, **“You have forsaken the love you had at first. ⁵ Consider how far you have fallen! Repent and do the things you did at first. If you do not repent, I will come to you and remove your lampstand from its place (vs 4,5).”**

We, as a church, have one major responsibility – we must keep the fire burning! The passion. The love for Christ. The longing for Him. No one else can do it for us. The fire must be kept burning.

If the fire in your life has gone out, don't blame anyone else! Jesus gives the answer about what to do. **Consider.** Think about the situation. **Repent.** Turn away from the things keep us from Him. **Do the things you did at first.** Read your Bible. Pray. Talk about the things of God. Praise Him.
